DEVELOPING INSTITUTIONAL NAMING POLICIES

December 13, 2011 :: 1:00-3:00 p.m. EST

“If your organization is at all considering namings — not just spaces and places, but programs, chairs, etc. — this workshop will give you a great head start to get your institution on the right track. Following Vincent’s straightforward approach can save a lot of time and headaches. It is well-presented and engaging.”
-Lorie Abernethy, Senior Development Officer, SAIT Polytechnic

“It was very useful information and a fairly comprehensive perspective. It was definitely helpful to me providing a foundation for our development committee work.”
-Larry C. Hargrove, Foundation Trustee, Trident Technical College Foundation

ACADEMIC IMPRESSIONS
WEB CONFERENCE
OVERVIEW

Donors are increasingly interested in attaching their names to philanthropic projects representative of their values. To capitalize on this trend, institutions must develop procedures and policies for establishing, managing, and marketing naming opportunities.

Join us online to learn how to develop a naming policy appropriate for your institution. Utilizing real examples from American and Canadian institutions, participants will learn the fundamentals of:

• Differentiating among policies for different naming opportunities
• Calculating space values
• Procuring board approval
• Marketing available opportunities
• De-naming and naming length considerations

LEARNING OUTCOME

After participating in this webcast, you will be better prepared to design and implement a naming policy that accurately values your institutional space.

WHO SHOULD ATTEND

Advancement professionals (especially those in advancement services, development, and donor relations) charged with establishing or revising a naming policy will leave with the tools necessary to design and implement a set of standards appropriate for their institution.

  ◦ Marketing naming opportunities
  ◦ Naming a school or program
  ◦ Use of funds in naming chairs or professorships
  ◦ Length of naming issues
    ▪ Re-/de-naming challenges and options
    ▪ Facility demolition and replacement

INSTRUCTOR
Vincent E. Duckworth, CFRE, Principal, Duckworth & Associates
Vincent brings a wide background in higher education advancement to the topic of constructing a naming policy. Prior to his current consulting role, he served as the director of advancement for the Schulich School of Engineering at the University of Calgary and executive director to the University of Alberta’s Faculty of Medicine and Dentistry development and alumni affairs office. He is the past president of the Edmonton chapter of the Association of Fundraising Professionals and has received multiple CASE Gold Awards for his capital campaign work.

LOGGING IN TO THE WEBCAST
After registration, each registrant will receive a confirmation of payment or an invoice, depending on method of payment. Each registrant will also receive an email with appropriate login information and more information regarding the event a few days prior to the start of the event. The day of the conference, you will receive another email with the same information. To participate, you will need a computer with a high-speed Internet connection. You will have the option to receive audio via your computer speakers or telephone.

WHAT IS A SINGLE SITE CONNECTION?
A site connection allows a single connection to the Web conferencing software and teleconference. We encourage you to set the event up in a conference room or classroom from a single computer in order to allow multiple stakeholders from your campus to participate. Remember, as long as only a single computer connects, you can bring as many people as you want to the event. Because there are no travel expenses and only a single registration fee is required, each additional participant lowers the cost per person significantly. Purchasing a site connection and inviting everyone involved in a particular topic is a great way to provide cost-effective professional development. Please note that you will have the option to receive audio via your computer speakers or telephone.

If for any reason a relevant stakeholder cannot co-locate for the session, we encourage you to include that person by purchasing an additional connection at the reduced fee of $195 per session. This will ensure that every member of a team receives the same relevant, timely information in the most efficient way. If an interested party cannot participate at the designated time, or if someone would like to view the presentation again, an archived copy of the event will be available for 60 days. If you have any technical or purchasing questions,
