Emergency Plan Checklist

Does your Emergency Action Plan include:	Yes	No
A preferred method for reporting fires and other emergencies.		
An evacuation policy and procedure.		
Emergency escape procedures and route assignments (e.g., floor plans, safe areas).		
Contact information for—and responsibilities of—individuals to be contacted under the Emergency Action Plan.		
Information concerning local area hospitals (e.g., name, telephone number, and distance from your location).		
An emergency notification system to alert various parties of an emergency.		
Ensured the presence of two emergency evacuation routes, and posted them in conspicuous locations?		
Placed removable floor plans near entrances and exits for emergency responders?		
Ensured that Emergency Action Plans and evacuation instructions address individuals with special needs and/or disabilities?		
Ensured that your building is accessible for individuals with disabilities, and in compliance with the requirements of the Americans with Disabilities Act (ADA)?		
Trained employees how to react to an active shooter scenario and other emergencies?		
Conducted active shooter training exercises?		
Coordinated with local law enforcement, emergency responders, SWAT teams, canine teams, and bomb squads in conducting exercises?		
Conducted effective background checks for new employees?		
Created a system for reporting potentially violent behavior?		
Made counseling services available to employees?
