

CONFERENCE

IMPROVING YOUR EXECUTIVE PRESENCE FOR EFFECTIVE LEADERSHIP

July 17, 2017

Denver, CO

.....
Focus on and practice your executive presence to present your ideas more effectively.
.....

OVERVIEW

Learn how to better present yourself and your ideas to your peers and leadership. How you speak, your physical stance, eye contact, and more all impact the delivery of what you have to say. This training is an opportunity for you to practice your executive presence in a safe space and receive feedback for improvement. Throughout this training, actress and consultant Eda Roth will help you:

- Assert your personal values in your message
- Improve your physical and vocal presence
- Use physical behaviors to raise or lower your status

This training will culminate with a coaching session to work on strengthening your communication skills with our expert and a group of your peers. Due to the interactive nature of this training, **participation is limited to the first 40 registrants.**

GROUNDING IN PRACTICE, NOT THEORY

This program is an active learning experience. You will be participating in improvisational exercises, mock presentation scenarios, and using visualization to better pitch your message. If you find it challenging to convey your message in an engaging manner, our expert Eda Roth will help you deliver your presentation with confidence and charisma.

WHO SHOULD ATTEND

Mid- to upper-level higher ed leaders who wish to build upon their leadership skill set and create an action plan for leadership success will greatly benefit from the information shared at this conference. You will have the opportunity to learn from our expert faculty, as well as the shared experiences of your peers, who may also be aspiring to leadership.
