ACADEMIC AFFAIRS

Get connected with expert training to help you identify best practices, replicable models, and practical solutions to the challenges you face at your institution. Whether you have day-to-day, "in the trenches" challenges or institution-wide initiatives you need help getting off the ground – we're here to help.

- Access 100+ hours of online training in our library
- Library includes hundreds of additional tools, resources and articles
- Participate in live online seminars or access our recordings
- Dozens of new training and resources added each year
- Direct access to our research team to suggest new topics
- Truly institution-wide: No limit to usage or number of users
- Track team training activity and progress
