AGENDA

DAY 1 (CONTINUED)

2:45 - 4:30 p.m.

Understanding Your Current Campus' Title IX Landscape

Let's face it, as a Title IX Coordinator, understanding your campus Title IX landscape is extremely important, but can be a bit challenging at the same time. What does that mean? It means you must understand your campus' Title IX strengths, weaknesses, limitations, and even potential risks and liabilities. It also requires Coordinators to "mind" any institutional gaps while at the same time programming, training, and investigations are occurring. We will give you the opportunity to discuss ways in which you can understand and manage your campus's Title IX landscape.

4:30 - 4:45 p.m.

Day 1 Wrap-up and Questions

4:45 - 5:45 p.m.

Networking Reception (included in registration fee)

DAY 2: APPLICATION OF TITLE IX TO YOUR CAMPUS

Continental Breakfast (included in registration fee)

9:00 - 10:30 a.m.

Intersections and Connections with Other Federal Laws and Regulations

Navigating through Title IX alone can be challenging enough. However, institutions are constantly dealing a variety of "intersecting" federal laws that can be downright confusing when dealing with a related Title IX issue. So how do they relate to each other, if at all? In this session, you will learn how Title IX relates to the Higher Education Act (HEA)/Higher Education Opportunity Act (HEOA), Title IV, Clery Act, Violence Against Women Act (VAWA)/Campus Sexual Violence Elimination Act (Campus SaVE Act), ADA/Section 504, the Family Education Rights and Privacy Act (FERPA), and other laws.

10:30 - 10:45 a.m.

Break

10:45 a.m. - 12:00 p.m.

Complex Issues

Many seasoned Title IX Coordinators have learned about complex issues on the job through experience during the course of a report or during an investigation. When these difficult problems arise on your campus, are you armed with basic information that would allow you to appreciate the complexity of these issues on the front end before they get worse? We will discuss complex topics such as retaliation/cross complaints, pregnant students, minors involved in title ix cases (such as dual enrolled students, early college, etc.), international students, and study abroad programs issues.

12:00 - 1:00 p.m.

Lunch (included in registration fee)

1:00 - 2:30 p.m.

Training Hearing Officers and Appellate Officers

Ongoing training is critical not only for investigators but also for hearing and appellate officers who serve as the designated decision makers to resolve sexual misconduct cases. Our experts will provide an overview of topics for beginner and advanced hearing and appellate officer training models.

Building Programming and Awareness on Your Campus

A key component of a Title IX Coordinator's role is to ensure that education for new and returning students and employees is ongoing, relevant and up-to-date with the campus's policies on Title IX and sexual misconduct. This hour will briefly highlight effective and practical strategies to meet the demands for facilitating annual training and program initiatives.
